When you're looking for work, it's a brand new day for everyone and Rob Barnett knows this first hand. As a veteran in Music and Entertainment, Barnett knows how to take advantage of opportunities and create opportunities. Next Job Best Job helps you to see the opportunities and act on them.

There's a lot of work to be done when looking for work, most significantly improving the one square foot of real estate that sits on our shoulders. Mindset is everything and so, you need to start there. In Next Job, Best Job Barnett is openly truthful about the struggle of being out of work, something millions can relate to, thanks to 2020. Being able to relate to it and having someone to talk to about it don't always go hand in hand. If you're looking for the stagnant how-to book on getting a job, Next Job Best Job isn't for you. If you prefer someone who has walked in your shoes, shared your concerns, and pivoted to their Next Job, their Best Job, then Next Job Best job is for you.

2021 is now referred to at the Great Resignation. There's no surprise to this after the Pandemic of 2020. Life is short and it's time all of us made the best of ours, particularly in our work. This is a time of career fulfillment, of valuing what we have to offer, and of living our dreams as best we can. Next Job Best Job knows this and will give you the means, support, and the edge to make that happen.
